

Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Sunday 10 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:

Mostly sunny, turning cooler overnight.

Today:

A bright and sunny morning with very little cloud around. Later in the day, some cloud bubbling up but staying dry with light winds. Cooler across Lincolnshire, still mild elsewhere. Maximum temperature 17 deg C (63 deg F).

Tonight:

Most of the cloud will clear away to the south overnight leaving clear skies in the early hours of the morning. Dry but feeling colder than of late. Minimum temperature 8 deg C (46 deg F).

Monday:

Turning cloudy early in the morning with some spells of drizzle or light rain during the day, mostly towards the northwest. Breezy at times, feeling cooler than yesterday. Maximum temperature 15 deg C (59 deg F).

Outlook for Tuesday to Thursday:

Mostly cloudy with outbreaks of rain on Tuesday. Drier on Wednesday and Thursday with occasional sunny spells, risk of fog patches early in the morning.
